Treasurer's Report: Month of February. Mr. Eppley read the Treasurer's Report aloud. Ms. Shukaitis moved to **accept Treasurer's Report: Month of February.** Mr. Cramer seconded the motion. All voted aye, motion carried 3-0.

Manager's Report: Mr. Eppley reported the Annual Recycling Report has been submitted to the Waste Authority. The audits for the Township and Sewer Authority are in progress. The post-opening traffic counts at ShopRite are completed. The data has been compared to the pre-opening traffic counts by the Township Traffic Engineer and no changes to signals were recommended between Chipperfield Drive and Bridge Street. A quarterly update conference call was conducted on the Mervine Bridge project, the main focus was design and permitting. The Public Works crew has replaced the stormwater pipe at the fire department's Analomink property. There was a workshop with the fire department, which resulted in a draft ordinance regarding eligibility to qualify for earned income tax credit or real estate tax credit. We are working on finalizing paving and maintenance projects that qualify for liquid fuels funding. The DEP grant application for \$350,000.00 was submitted today for new recycling equipment.

Public Works Dept. Report: Road Crew has been working on a few projects. The golf course project is completed, trimming trees on Jane St., King David Rd., Pokona Ave. and Myrtle Ave. The parking lots at the parks are being regraded for the season. We will be starting an early leaf pick up since some residents have piles already out and before the rain on Friday. Our mechanics have been working on the bucket truck and is now ready for inspection. They have also been getting our equipment "season" ready. And as always we are working hard on the Request for Action" forms as they come in.

Police Report: Captain Gasper reported the department hired a new officer and has started his 10 week training. He said the department is prepared and ready for anything that will come up with this new health issue we are dealing with. In regards to supplies the department has what they need but in case they would need more, they have good relationships with local hospitals and they'd be able to get what's needed. If there are any questions on the report feel free to contact him.

Solicitor's Report: Nothing to report outside of executive session.

Engineer's Report: Mrs. Alker reported she has been working on some ordinances with the Planning Commission, Zoning and SALDO amendments. There is a work session scheduled for the end of the month. She is still working on the Wellhead Protection ordinance and she spoke to BCRA, who had a hydrogeologist review the ordinance. She wanted to speak to him regarding his comments. She is still waiting on more information on the Route 447 and Brushy Mountain Road drainage project.

Fire Department Report: Chief Unruh reported the department is taking extra steps in keeping the department safe. They have cancelled their annual banquet, drills and trainings trying to keep everyone safe. They have had men in the stations sanitizing and cleaning. They have changed protocol in how they enter the stations for fire calls and how they respond to calls. They are trying to eliminate exposure to the public as much as possible, however

they are running fully operational. The department has reached out to St. Luke's Hospital and county EMA offices for supplies and equipment. And they have also purchased items that will keep them safe while out if needed.
